

How to create a Panel (Panel Lead)

- 1. Connect to the CPMS (Login) <https://cpms.ern-net.eu/login/>
- 2. Enrol a patient (Complete the Consultation form).*
- 3. Invite needed experts for this Panel according to the 'Disease group' they belong to.*
- 4. Experts can accept the invitation and write comments or record contribution at the assessment step.*
- 5. A meeting can be scheduled to discuss the case.*
- 6. After assessment has been done and the case outcome has been written you as lead may 'Sign-off' the Panel.*

* See more detailed information in the CPMS User Guide
